

FROM THE CHAIRMAN

This is the seventh article for "AustCham Macau At a Glance" that I have written so far and I hope our readers find them interesting and with lots of useful information. Again, there have been some great news on the increasing daily number of visitors crossing the border...

AUSTCHAM CORNER

LONG MARCH TO MARS

Sir Billy Chan

It was **20 July 1969**, and I was in my school uniform chewing a sandwich, glued to our small black and white TV set at home. It was around noon and I was getting super excited during the build-up to the historic moment Neil Armstrong of Apollo 11 stepped out of his lunar module
